

## M22

### DESIGN

OFFICE EDIT, GERMANY

The M22 combines comfort, aesthetic styling and functionality. Utilising the latest knit technology, the 100% polyester, height adjustable mesh back provides a flexible, breathable, durable and highly comfortable back support.

The M22 boasts a new breed of mechanism that gives enhanced geometry and ensures the user of complete comfort throughout its movement, also featuring a seat slide with 70mm of movement as a standard feature.

The seat has a unique design with its membrane technology, that creates a 'suspended' seat providing superior seating comfort.
