DESIGN JIN KURAMOTO
OFFECCT - FLOKK, SWEDEN

A strong and iconic shape that stands out in every room and at the same time a flexible and social team player designed to be combined in different formations. The Maki Lounge Chair has a simple, innovative and self-evident form offering plenty of possibilities.

"The lounge has a strong and symbolic shape, while being flexible in applications and functions. It can be used to work, rest, meet and wait – as a lone icon with a strong personal presence or together in different formations", says Jin Kuramoto.
