DESIGN WELLING/LUDVIK
ARRMET, ITALY

Mani Armshell is a polypropylene armchair featuring soft, curved contours, that provides comfortable seating to support even the most relaxed postures. It shares the existing Mani collection's extreme versatility.

The polypropylene shell produced from a single mould is accompanied by a choice of seat inserts made of timber, upholstered or in tone-on-tone polypropylene in a slightly deeper shade. M`ani Armshell, is also available in a fully upholstered version, which can be combined with ten different chair or stool bases featuring wooden legs, metal sled base, 4-way swivel base or with castors.
