

## Mare

**DESIGN** MARCSADLER  
ET AL. HOUSE FABRICS, ITALY

The classic and refined design of Mar[ ], transcends fashion or passing trends, making it a versatile product that is suitable for both indoor and outdoor requirements. Mare is created using a unique combination of two different materials: polypropylene and aluminium. Together they form a solid construction, that makes each one indispensable to the other, linked by a single structural shape, that is also fully recyclable.
