DESIGN BYKATO
CANE-LINE, DENMARK

A modern statement with room for all. Mega is designed by byKATO and is a unique piece of furniture. The stringent design and the cool Scandinavian colour scheme give a very urban look. Mega is produced in Cane-line Weave® which makes it ideal for outdoor use in any climate as it is temperature and UV-resistant. The cushions are made with Cane-line SoftTouch® with QuickDry system for your comfort. After a rain-shower, the cushions are dry again after approx. 1 hour, and ventilates in areas with high humidity.
