

**DESIGN** LOLL DESIGNS  
LOLL DESIGNS, USA

Milk Stools may not be used for milking cows these days but the Loll Milk Stool would work udderly perfectly for that application. They are also quite helpful when you desperately require an extra seat, both indoors and out. They can even double as a side table or seat in the shower.

Constructed from recycled HDPE, surfaces are easy to clean and require no maintenance. This one will be around until the cows come home.

**PRICING**

\$310 — \$315 Trade pricing ex GST
