Million Low Back 5-Way Castor

Advanta

DESIGN COLLABORATION
ADVANTA, AUSTRALIA

Unveiling the pinnacle of executive comfort and style, Advanta's latest Executive Meeting Chair – Million, upholstered in genuine leather sets a new standard for opulence in the corporate world. Your clients will feel like they are in luxury as they take their seat on the genuine leather surface, creating an ambiance of sophistication in their boardroom or executive office.

Designed with the discerning executive in mind with an adjustable seat height. Whether you're in a crucial strategy session or a prolonged executive meeting, this chair caters to your comfort needs without compromising on aesthetic finesse.

Million is also available in a high back version.
