

## *Mini Heb*

**DESALTO**

**DESIGN** FRANCESCO ROTA  
DESALTO, ITALY

Mini Heb is a smaller version of the iconic Heb table. This versatile range includes both coffee and side tables, each featuring a sculptural three-legged base crafted from painted metal and a top available in various finishes, including marble and wood.

The Mini Heb collection combines industrial precision with refined design, making it a standout choice for both residential and commercial spaces. Its compact size and elegant materials allow it to adapt seamlessly to various environments, adding a touch of sophistication and modernity.
