DESIGN FOERSOM & HIORT-LORENZEN
CANE-LINE, DENMARK

The Moments seating and lounging collection sets a new standard for multi flexible design with its stylish and elegant nod to Scandinavian design.

Featuring an inviting curved backrest, the frame and legs are bound with thick Cane-line Soft Rope, a unique rope finish which features an elasticated polypropylene coating that is quick drying and UV resistant, with a soft fibre like feel.

The Moments collection includes a stackable 4 leg or sled armchair, lounge chair, 3-seater or modular lounge, all available in indoor or outdoor options. Optional cushion sets are also available.
