

Myg

DESALTO

DESIGN MARIO FERRARINI
DESALTO, ITALY

Sometimes, inventing new shapes can be used to overturn schemes and formulate new rules. This is how Myg was born; a lesson in statics translated in the form of a triangular-shaped stool.

Myg is available in three heights and stackable. Seat in integral polyurethane, ovular steel tube frame with footrest in stainless steel.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural
