

## Nene

**LIVONI**  
— since 1895

**DESIGN** PRODUCKS DESIGN STUDIO  
LIVONI, ITALY

Nene\_ was born while examining the prototype for the Franz chair. Intrigued by the naked construction of the chair, Tekhne felt there was merit in the development of this chair and proceeded to take it in a new direction. With a simplicity that is both clear and balanced, Nene is essentially the minimalistic offspring of the Frantz collection.
