

Noodle

et al.

DESIGN ANA KRAJ
ET AL., ITALY

Noodle is a collection of side tables designed by young Serbian designer Ana Kraja. A conical structure is formed by slender vertical uprights, reminiscent of how yarn is threaded through a loom.

The sheet metal top can be removed and used as a practical tray table, while the base can be turned upside down to create a new form.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural

CERTIFICATION
