MIDJ

DESIGN MIDJ DESIGN
MIDJ, ITALY

Nuvola is the archetype of the chair: four straight lines form the base of the chair that fold into the seat and backrest in the most classic of ways. Its simplicity is transformed by the available finishes and optional top stitch detail. Originally conceived as a fully upholstered version, the Nuvola collection now includes models with steel legs that extend its use to a variety of applications.

Nuvola is available in a side chair or armchair version.
