DESIGN CANE-LINE DESIGN TEAM
CANE-LINE, DENMARK

Designed by the Cane-line design team, Ocean is a combination of a modern design and traditional craftsmanship.

Constructed from aluminium, woven Cane-line Soft Rope and an incredibly soft and comfortable cushion in Cane-line Natté or Wove fabric. The lightweight frame combined with the transparent expression creates a light look, together with a soft seat and back cushion, Ocean offers both unique comfort and a visually beautiful aesthetic.
