THINKING WORKS, AUSTRALIA

Okidoki Too could be brightening the office one day, then bringing its casual cool to your home the next. In any environment, its cheeky personality is always on display.

Get creative with solid timber legs in a choice of styles, including White Ash, White or Black Woodgrain or Walnut Stain on request. Set against the powdercoat colours of Okidoki Too's steel and aluminum framework, the decision to complement or contrast is all yours.

True to its laidback style, Okidoki Too provides plenty of flexibility in its shapes and finishes, with a sleek rounded design theme and choice of timber. In short, it's one cool customer.

So cast off the formalities and relax – Okidoki Too is here to lighten the mood at home and the office.
