

## *On-The-Move*

**DESIGN** STRAND + HVASS  
CANE-LINE, DENMARK

The idea behind On-The-Move was to create a lightweight, multifunctional side table with a loose tray. Both elegant and practical, with its easy-to-grab handle and removable tray, On-The-Move can convert from a designer side table to a handy serving tray in no time.

Constructed from aluminum, it is the ideal accompaniment for outdoor and indoor use. On-The-Move is available in 3 sizes.
