DESIGN   LUCIDI PEVERE
CANTARUTTI, ITALY

Welcoming and inviting, Palmo unites two souls in a promise of comfort and functionality: soft and defined lines are found in harmonious proportions that link a modern and captivating design to a sense of comfort and dynamism. Designed by LucidiPevere, Palmo is a collection that enhances professional and commercial common spaces and domestic environments of diverse styles.

The chair, armchair and stool are finished in selected materials to create combinations with multiple solutions, including reassuring monochromes and more contemporary contrasts. Stool and bench complete this vast family with a rational and charismatic character.
