DESIGN NIELS BENDTSEN
BENSEN, CANADA

Park is a contemporary wing-back chair, designed to be as comfortable as it is beautifully proportioned. Elegant from all angles, Park is perfect for a wide range of environments. The winged seat gives a sense of privacy and seclusion while being generous enough to promote multiple seating positions.

The upholstered seat sits on a simple precision-made steel base, and expertly sewn and fitted covers create beautiful tailored appearance. A matching Ottoman compliments the aesthetic of the chair.
