DESIGN JOHN PAWSON
WÄSTBERG, SWEDEN

Pawson, designed by British designer John Pawson for Wästberg+, is a refined table lamp that reflects the designer's signature minimalist approach. With its elegant geometric form and restrained design, Pawson offers a quiet balance of function and style, suited to both contemporary and more traditional interiors.

Crafted from high-quality materials, it provides a soft, ambient light that creates a calm and welcoming atmosphere.

Its clean, considered lines allow it to integrate effortlessly into a range of settings, whether used as a reading light in a living space, a bedside lamp, or a subtle feature on a desk or side table.

The understated character of Pawson brings a quiet sophistication to a room. Its timeless design and careful construction make it a versatile and enduring lighting piece.
