

Peak

Cane-line

DESIGN BYKATO
CANE-LINE, DENMARK

Peak is designed by the Danish duo Foersom & Hiort-Lorenzen. The pair has a great respect for the nature and traditional craftsmanship. Peak is constructed from rattan, which is highly sustainable and gives the collection its organic and unique shape. Rattan is both flexible and solid, allowing it to be easily shaped and retain its form for years to come.

LEADTIME

12-14 Weeks

WARRANTY

3 Year Structural
