

## *Pippi*

MIDJ

**DESIGN** ROBERTO PAOLI  
MIDJ, ITALY

The new Pippi collection includes a chair, armchair, lounge chair and stools. Two curved metal tubes make up the original structure of the Pippi collection, wholly covered with a single coating of slightly padded bielastic fabric which perfectly dresses the chair.

The collection is extremely versatile and customizable thanks to the wide range of colors available both for the fabric and for the chairs' steel feet.
