

Plissé

MIDJ

DESIGN PAOLA NAVONE
MIDJ, ITALY

Plissé was created from a collaboration with Paola Navone, and culminated in a collection of tables that are elegant and light, yet informal. Plissé pays homage to the iconic pleated workmanship found in the world of fashion.

Plissé is available in multiple table heights. The pleated motif gives the collection a great sense of three-dimensionality and dynamism, and lends itself to multiple combinations. Designed for the home, but also for hospitality, the Plissé collection thrives in all environments.
