

Pre Turn

DESIGN NIELS BENDTSEN
BENSEN, CANADA

The Pre chair, modelled on a traditional slipper chair, is a new take on an old idea. Pre has been integrated into the 'Turn' seating collection, featuring the same under-cut profile and discrete circular metal base that rotates smoothly through 360°. Pre is the perfect chair for any space thanks to its crisp and charming presence.

The Turn collection consists of the Hi Turn, My Turn, Lo Turn and U Turn swivel lounge chairs, the U Pouf and the U 2 Seater sofa. Lounge chairs are available with or without a memory return mechanism to bring the chair back to its intended position and fabric covers are removable for easy cleaning or replacement.
