

## *Randa*

**DESIGN** LUCIDIPEVERE  
ARRMET, ITALY

Randa is a collection of seating designed by LucidiPevere, comprising a chair, armchair, lounge chair and stool in two heights. Randa has a powdercoated steel frame and seat made of nautical rope, which provides excellent resistance to moisture, sea spray and the sun's rays. The interwoven rope lends a light, summer look, making it perfect for all outdoor applications.
