DESIGN THINKING WORKS
THINKING WORKS, AUSTRALIA

A modular system designed for collaboration.

Whether it's a formal staff meeting or a quick catch up over coffee, Rosie's range of accessories and modular components provide flexibility to suit any environment.

Rosie is available in 3 different heights with the option to add soft trend, lockable castors and an integrated foot rail system on all standing height tables. Never worry about running out of battery on your devices during those longer collaboration sessions.

With the option to add a power solution using the Power Vortex accessory, Rosie will keep your cables tidy and hidden while providing charge to your devices. Designed for those who love clean lines in their office furniture, Rosie's soft forms and simple lines create a design aesthetic that is contemporary and timeless.
