**DESIGN** FOERSOM & HJORT-LORENZEN  
CANE-LINE, DENMARK

Sense is an elegant and spacious sofa and lounge chair handcrafted from environmentally friendly, natural woven rattan. Characterised by its distinctive, almost sculptural design, the open back ensures a beautiful profile from every angle. The loose back cushions can be placed in various positions and easily reconfigured, transforming the Sense from an elegant sofa into a modern daybed.

The unique high-tech fabric is both hardwearing, heat transparent, allergy friendly and easy to maintain and clean.
