DESIGN TOMOYA TABUCHI
SYSTEMTRONIC, SPAIN

Sou umbrella stand, composed by three painted steel panels is suitable for either large or compact umbrellas. Hidden behind the steel panels are two removable containers for water collection. The smaller one is located behind the front panel, half way up to accommodate folding umbrellas while the larger container is located in the lower part of the back panel specifically for longer umbrellas.

The base and the centre panel can be painted in a contrasting colour. Sou is also available as free standing or wall mounted.
