

Souvenir

DESIGN EUGENI QUITLLET
PEDRALI OUTDOOR, ITALY

Souvenir draws inspiration from the iconic chairs of 18th-century Parisian gardens, reimagining their classic forms for modern outdoor use. This monoblock polypropylene armchair features a harmonious design that seamlessly integrates each element into an organic, flowing shape.

With soft curves and three-dimensional slats, Souvenir offers exceptional comfort, while its legs widen gracefully at the base, merging into an elegant, small foot detail.
