DESIGN ARRMET LAB
ARRMET, ITALY

Strike is a collection of softly shaped, wraparound seating, stools and lounges. Strike combines elegant lines and generous proportions, making it ideal for use in contract and residential applications.

A visible metal frame outlines its unique profile and joins the padded sections together. Upholstery is available in a range of house fabrics and leathers which can be further enhanced by choice of powdercoat finishes. Strike is simple, yet sophisticated, adapting discreetly into the environment it inhabits.
