

Talki

LuxStudio

DESIGN LUXSTUDIO
LUXSTUDIO, AUSTRALIA

Talki is the sit down table on glides for collaborative work and conversation. The Talki is part of the Talki collection available in two other variations: Walki is a high table to stand around, and Wheeli is on castors.

Each leg is connected through a rotational knuckle, made from die cast aluminium. The function of which creates an agile table that can be reiterated to a large number of configurations to create a consistent visual look in the connected workplace.

Leg options include Victorian Ash, American Oak, American Ash and white or black metal.

LEADTIME

6-8 Weeks

WARRANTY

3 Year Structural
