

The Village Plump

Aplós.

DESIGN HELEN KONTOURIS
APLOS, AUSTRALIA

LEADTIME

6-8 Weeks

The Village Plump is designed to balance a strong visual identity with comfort and sophistication. Providing a light, elegant, and agile seating system that encourages versatility, collaboration, and focus within interior spaces. Each detail in the collection exemplifies intricately upholstered and stitched seams, along with sewn piping elements, showcasing the exceptional attention to detail and handcrafted approach.

WARRANTY

3 Year Structural

As the namesake suggests, The Village Plump celebrates a collection of individual elements, that when combined, create unique micro-environments for focusing, working, and rejuvenation.

Luxurious foam densities, balanced with a sophisticated blend of unique detailing are at the essence of the collection. Designed to balance quality, comfort and flexibility — with clip brackets available to enable fixed configurations.
