

Tion 2140 Upholstered Seat

Flokk

DESIGN HUNTING & NARUD
HÅG - FLOKK, NORWAY

HÅG Tion is a task chair for the modern world. Flexible and sustainable, designed to fit just about anywhere, from new home workspaces to dynamic office environments. Elegantly shaped, HÅG Tion moves with your body throughout your workflow, helping you stay healthy and active. Its lightweight and sturdy construction enables it to cope with the demands of daily use, and with 75% recycled & renewable content, HÅG believes it to be the most sustainable task chair in the world, helping you reduce your impact on the environment.

The Tion collection is available in a thoughtful selection of colours and materials, curated by Hunting & Narud — one of three design studios who collaborated on the project.
