**DESIGN** ANTONINO SCIORTINO  
LACIVIDINA, ITALY

Turi Turi is a unique occasional table collection inspired by the traditional flat caps worn by Sicilian men. The elegant top of the table is paired with a delicate base bringing together Sicilian Baroque art and minimal style.

Constructed with steel rods, bent and welded together between a top plate and base ring, and completed with a solid plate steel top, Turi Turi table collection is available in 4 versions which vary in size and height. Turi Turi tables are ideal for high traffic commercial hospitality or domestic environments and can be used outdoors.
