

Up

laCividina

DESIGN LUCABOTTO
LACIVIDINA, ITALY

Up is a collection of coffee and side tables with meticulous detail and stylish proportions. The design utilises a tubular steel chrome frame which protectively surrounds the top surface material from side impact. Ideal for any busy thoroughfare or public reception area where appearance and durability is paramount.

Up is available in round, or square and rectangular shapes with radius corners, in two heights and in a variety of materials and finishes. A timeless, vintage elegance prevails when the veins of marble are on display while the timber veneered versions are steeped in dynamic modernity.
