DESIGN LUDOVICA + ROBERTO PALOMBA
ARRMET, ITALY

A classic design with a contemporary twist: the Virginia seating collection is an elegant solution, suitable for hospitality and workplace environments. Versatile and robust, Virginia has a compact footprint, making it perfect where space is limited, while its bold design can be further enhanced by the sheer variety of materials and finishes on offer.

The upholstered seat, constructed using fireproof foam, rests upon a 4-leg frame made of steel or solid Ash wood while the upholstered back, available in two heights, is soft and welcoming, guaranteeing superior comfort.
