

w131 Bell

DESIGN CLAESSON KOIVISTO RUNE
WÄSTBERG, SWEDEN

The w131 Bell collection, designed by Swedish trio Claesson Koivisto Rune for Wästberg, is a beautifully crafted light fixture that blends elegance with functionality. With its simple yet striking bell-shaped design, this light brings a refined touch to any space, whether it's your home, office, or commercial setting.

Crafted with attention to detail, The w131 Bell is made from high-quality materials, offering both durability and a soft, warm light that creates a welcoming atmosphere. Its gently curved shade directs light in a way that's both efficient and ambient, perfect for adding character to your interior without overpowering the space.

Available in a range of finishes to suit any decor, The w131 Bell is ideal for both modern and traditional settings. Whether as a pendant light over a dining area or a statement piece in a living room, it's designed to bring a sense of serenity and style to your surroundings.
