

w153 Île

DESIGN INGA SEMPÉ
WÄSTBERG, SWEDEN

The w153 Île, designed by Swedish designer Inga Sempé for Wästberg, is a lighting fixture that evokes a sense of serenity and natural beauty. Drawing inspiration from the simplicity of island landscapes, this pendant light combines organic form with functional design, making it a perfect addition to both residential and commercial interiors.

Crafted with meticulous attention to detail, The w153 Île features a softly curved, bowl-shaped shade that diffuses light in a warm, ambient glow, creating a relaxed and inviting atmosphere. Its design is minimalist yet distinctive, with an elegant silhouette that works beautifully in a range of settings, from dining areas to living rooms and beyond.

Made from high-quality materials, The w153 Île is both durable and visually appealing, offering a timeless lighting solution that complements modern and classic spaces alike. Whether used alone or in a cluster, this elegant pendant light adds a touch of sophistication to any room.
