

## *w164 Alto*

**DESIGN** DIRK WINKEL  
WÄSTBERG, SWEDEN

The w164 Alto, designed by Berlin based Dirk Winkel for Wastberg, is a sophisticated lighting fixture that combines modern elegance with functional design. With its sculptural form and refined materials, the Alto makes a striking addition to any contemporary interior, offering both beauty and purpose.

Crafted with precision, The w164 Alto features a gently curved shade that diffuses light in a soft, ambient glow. The elegant design is complemented by a solid brass frame, adding a sense of warmth and luxury to the piece. Its minimalist silhouette ensures that it integrates seamlessly into a variety of spaces, from dining areas to living rooms and offices.

Perfect for creating a serene atmosphere, The w164 Alto provides balanced illumination that works effortlessly in both residential and commercial settings. Its timeless design ensures that it will remain a statement piece in your home or workspace for years to come.
