**DESIGN** DIRK WINKEL  
WÄSTBERG, SWEDEN

The w181 Linier, designed by Berlin based Dirk Winkel for Wästberg, is a sleek and refined lighting fixture that embodies the perfect balance of modern design and practicality. With its minimalist linear form, the Linier is ideal for enhancing both residential and commercial spaces with its clean, contemporary aesthetic.

Crafted with high-quality materials, The w181 Linier offers both direct and ambient light, providing versatile illumination without compromising on style. Its simple, elongated profile makes it perfect for spaces requiring subtle yet effective lighting, whether over a dining area, along a corridor, or in an office setting.

The w181 Linier is a timeless piece, effortlessly combining form and function. Its understated elegance makes it a versatile addition to any interior, creating a sophisticated atmosphere while meeting practical lighting needs.
