

## w203 Illumina

wästberg

**DESIGN** ILSE CRAWFORD  
WÄSTBERG, SWEDEN

The w203 Illumina, designed by London-based designer Ilse Crawford for Wästberg, is a beautifully crafted lighting fixture that brings warmth and sophistication to any space. With its elegant, minimalist form and functional design, the Illumina is the perfect combination of style and practicality.

Crafted from high-quality materials, The w203 Illumina features a timeless design that provides both direct and diffused light, creating a soft, inviting glow. Its clean lines and simple shape make it a versatile addition to any interior, whether in dining rooms, living spaces, or offices.

The w203 Illumina seamlessly integrates into a variety of spaces, offering both aesthetic appeal and functional lighting. Designed to enhance the atmosphere of any room, it's a sophisticated choice for
