

w222 Focal

DESIGN DAVID CHIPPERFIELD
WÄSTBERG, SWEDEN

The w222 Focal, designed by David Chipperfield for Wästberg, is a dynamic and contemporary lighting fixture that combines sleek design with focused illumination. With its precise, adjustable light, the Focal is perfect for spaces where both form and function are essential, making it ideal for everything from task lighting to creating dramatic focal points in a room.

Crafted from high-quality materials, The w222 Focal features a refined design with a fully adjustable head, allowing the light to be directed where it's needed most. Whether used in an office, reading nook, or as a statement piece in a living space, The w222 Focal provides a versatile and functional lighting solution.

With its minimalist aesthetic and exceptional versatility, The w222 Focal seamlessly fits into any modern interior, providing not only lighting but also a stylish, sculptural element to enhance the atmosphere of the room.
