

## Why

cantarutti

**DESIGN** LUCIDI PEVERE  
CANTARUTTI, ITALY

Why interprets the essence of wood, strong and resistant but also light and flexible, through an essential graphic expression: an inverted Y with a decisive and sinuous aesthetic. Defined and linear signs trace the profile of the structure, harmonious shapes and elegant details combine in a simple and clean balance.

The LucidiPevere collection finds its place in any interior, from public hospitality spaces, to more intimate and personal ones. Chair and stool, with structure in wood in various finishes, meet with different available coverings, perfecting an inviting and fine elegance.
