

Why Not

DESIGN LUCABOTTO
LACIVIDINA, ITALY

The flowing rhythm of the Why Not modular lounge fuses formal exactitude and freedom of composition, allowing it to fill rooms of any sizes with its personality. The clean, sweeping lines embody the purity of its style, which can be softened with the addition of comfortable back cushions.

Why Not modular lounge with its elevated separate backrest is available as an individual lounge or can be joined together in various standard lengths to create countless seating arrangements.
