DESIGN DIRK WINKEL
WÄSTBERG, SWEDEN

Winkel, designed by Dirk Winkel for Wästberg+, is a series of lighting fixtures that combines minimalist design with practical functionality. Inspired by geometric forms, Winkel presents a refined and understated presence within a range of interiors.

Crafted with precision and high-quality materials, the series includes clamp, fixed and task base options, each defined by clean lines and balanced proportions.

The simple yet distinctive forms make each piece highly versatile, allowing them to integrate comfortably into a variety of environments, from contemporary homes to commercial settings.

With a focus on light as both a functional and design element, Winkel delivers soft, ambient illumination while maintaining a restrained, minimalist aesthetic. Whether used individually or in combination, the series offers a timeless lighting solution shaped by clarity and simplicity.
