DESALTO

DESIGN LUCA PEVERE
DESALTO, ITALY

The Zinco collection by Luca Peveri is a sculptural study in industrial elegance. Constructed from folded sheet metal and defined by exposed mechanical joints, Zinco celebrates the raw beauty of its materials with precision and restraint. The collection spans tables and shelving systems, each designed with modularity in mind. Robust yet refined, practical yet architectural. Available in a selection of finishes, Zinco is perfectly suited to contemporary residential or commercial settings.
